

IT- & Cybersecurity

With data at the core of many new business models, IT security is of paramount importance. Here Bavaria can boast an ecosystem with a unique blend of know-how, talent, R&D, industry and start-ups.

Your digital start-up centres

About

At DZ.S, digital founders, start-ups, scientists and the industry work on solutions to push the digital transformation in Augsburg and in the immediate vicinity.

At ITC1, founders, start-ups and young companies meet already established high-tech companies. In addition, the Innovations Technology Campus offers a high-quality infrastructure, a crosssector network and actively promotes innovation. It aims to support digital start-ups.

TechBase is a modern complex with state-of-the art labs and workshops. Major automotive suppliers next door provide business opportunities for start-ups.
