

“Ois easy “ Start-up Package*.

A soft landing for start-ups from all over the world in Bavaria.

“Ois easy“ – That means we keep it as simple as possible for you and we support you as much as we can. Please find the terms of participation and conditions as well as the information about the application process.

Terms of participation:

1. The start-up has to have a registered entity in a country other than Germany.
2. The start-up has to be in a solid financial state. The start-up has to provide an overview of its financial state in the pitchdeck.
3. At the time the application process starts, the start-up is not allowed to have any registered entity or business location in Germany.
4. The start-up has to be younger than 5 years.

Conditions:

1. All services provided by the "Ois easy" package are free of charge. This includes workplaces for a period of up to three months.
2. Travel expenses are not covered by the package.
3. Workplaces in the co-working space are limited to three months respectively office workplaces to one month and are allocated according to availability. Ideally, the start-up will continue its tenure at the host incubator at his own expense.
4. Acceptance of the "Ois easy" package does not entail any commitments beyond the 3-month core period. Yet start-ups with a clear intent for a permanent operation in the German market, will be given preference in the application process.

Application process:

1. Prepare your pitchdeck (including information about your financial status) and send it by email to startup@invest-in-bavaria.com.
2. Fill out the [questionnaire](#).

All documents / information provided by the start-up to the "Ois easy" team (Invest in Bavaria and BayStartUP) during the application process will be treated confidentially.

*Bavarian for a carefree business landing
