

INDIA – BAVARIA: A STRONG AND LONG-TERM RELATIONSHIP

Successful business partners

- India is Bavaria's trade partner No. 4 in Asia
- Trade volume: over 2,5 billion Euros (2011)
- More than 350 Indo-Bavarian Joint-Ventures
- Nearly 1,200 Bavarian companies are doing business with India
- Presence of major Indian companies in Bavaria, such as Tata, Dr. Reddy's, Wipro, TCS and HCL

Close ties beyond trade

- Bavarian-Indian Centre for Business and University Cooperation
- Partnership between the State of Karnataka and Bavaria since 2007
- State of Bavaria Office in Bangalore since 2001
- Daily flights from Munich to Mumbai and to Delhi 5-6 times a week
- The Indian Consulate General is located in Munich

Bavaria: Home to a strong Indian community

- Almost 7,000 Indians live in Bavaria, of whom 2,800 in Munich and about 650 in Nuremberg
- 11 international schools in Bavaria
- 2 Indian temples and 70 Indian restaurants in Munich
- About 12 Indian supermarkets and even Indian bazaars where Hindi is spoken

Edition June 2012

Welcome to Bavaria – Your business hub in Europe

Bavarian Ministry of Economic Affairs,
Infrastructure, Transport and Technology

BAVARIA: YOUR BUSINESS HUB IN EUROPE

- Bavaria is situated in the heart of Europe
- From Bavaria you have access to the entire European market with more than 500 million consumers
- More than 30 European metropolitan regions are within reach of 3 hours' flight

Bavaria: Germany's most attractive Federal State

- Highest purchasing power: € 21,758 per capita
- Global players like Adidas, Allianz, Audi, BMW, EADS, MAN and Siemens are headquartered in Bavaria
- Global leader in high-tech sectors, such as biotechnology, automotive, aviation, medical technology, electrical and mechanical engineering
- "Europe's High-tech Mecca", according to Bill Gates
- Key location for global IT-players like Adobe, Texas Instruments, Google, Microsoft, Oracle, Cisco Systems, Yahoo!, BT and Ingram Micro
- A huge customer and market potential with more than 400,000 small and medium-sized companies, the backbone of the Bavarian economy and open to innovation

BAVARIA: TOP IN RESEARCH AND DEVELOPMENT

As a knowledge-based economy, powered by innovation, research and development is of paramount importance in Bavaria for businesses and government alike. This is mirrored by a strong network of institutions and facilities that includes:

- 11 Universities
- 2 Elite universities: LMU & TU in Munich
- 17 Universities of Applied Sciences
- 12 Max-Planck-Institutes
- 2 Institutes of the Helmholtz Association
- 7 Institutions of the Fraunhofer Society
- 10 Research and transfer centres
- 9 Research associations

Clusters: Strength through Networking

- 19 Bavarian networks for major sectors such as information and communication technologies, high-performance electronics or robotics
- Clusters facilitate partnerships between science and industry
- Clusters boost knowledge sharing and cooperation between businesses and research institutions
- Clusters prove useful to companies looking for qualified workers

TESTIMONIALS FOR BAVARIA

Saptha Chapalapalli, Director Central Europe, Tata Consultancy Services Deutschland GmbH

"With its high-quality educational institutions and its well-trained workforce, Bavaria provides TCS with an excellent market for recruiting new talent and for positioning itself as an international organization that has a strong local presence. This is precisely why it has always been crucial to maintain a strong presence here."

Heiko Oeser, Sales Manager – Germany Jet Airways

"For Jet Airways, Bavaria represents a key market region in the heart of Europe especially for business travel. It is a region with prominent purchasing power and a key element in strengthening its competitiveness."

KEY ASPECTS OF A SUCCESSFUL MARKET ENTRY IN BAVARIA

- Knowing the essentials of your target markets makes your start easier
- Clear focus on the unique selling positions of your products and services makes for a smooth and decisive market entry
- Professional marketing support for your products and services to create awareness and visibility
- Be located close to your customers and stay flexible
- Take a long-term perspective
